

AXEL'S PLACE

A Facility for Service Dogs
and Post-9/11 Veterans

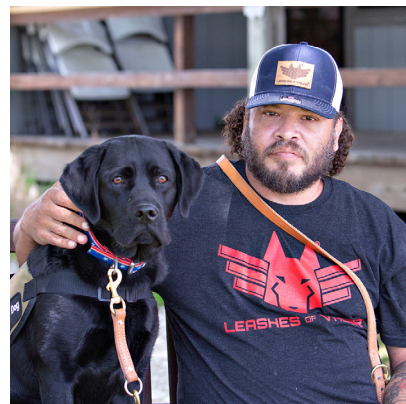

National nonprofit Leashes of Valor has moved to the Fredericksburg, VA community. Our new 2,900-square-foot headquarters on 10 secluded acres is home to our canine training facility and in-house training program for veterans and their service dogs. It will also host veteran-centered events.

FOUNDING MEMBER OPPORTUNITIES:

We have a new and exclusive opportunity for support and recognition:
The opportunity to sponsor and name a room or kennel at Axel's Place.

All contributions are tax deductible and support our mission providing service dogs at no cost to post-9/11 veterans with PTSD, traumatic brain injury, and military sexual trauma. These "unseen wounds" impact as many as one in five Iraq and Afghanistan war veterans.

WARRIOR BEDROOM | \$10,000 (OR DONATE \$2,000 PER YEAR FOR FIVE YEARS)

(Four rooms available for sponsorship)

These rooms serve as sanctuaries for veterans after they return from long and often emotionally-difficult days training with their service dogs in public spaces.

KITCHEN | \$25,000 (OR DONATE \$5,000 PER YEAR FOR FIVE YEARS)

OR \$10,000 (appliance package), \$10,000 (countertops, cabinetry), \$5,000 (furniture, supplies)

The kitchen is the center of our home, a place where veterans come together each morning and evening to get ready for the day and decompress after a day of training.

LIVING ROOM | \$15,000 (OR DONATE \$3,000 FOR FIVE YEARS)

The living room provides a place for veterans to watch TV, read, play games, and socialize after a day of training.

DINING ROOM | \$10,000 (OR DONATE \$2,000 FOR FIVE YEARS)

The dining room also serves as our warrior classroom where veterans receive basic instruction on living with and caring for their service animals as well as service dog policy and law.

KENNEL | \$25,000 (OR DONATE \$5,000 PER YEAR FOR FIVE YEARS)

Our kennel is where it all begins. Service dogs spend up to two years living and training with Leashes of Valor before they are paired with a veteran.
