

LEASHES OF VALOR | EVENT FUNDRAISER FAQ

Can I host my event at Leashes of Valor?

Unfortunately, we are currently unable to host third-party fundraising events at our property due to insurance and staffing limitations. While we maintain comprehensive liability insurance to protect Leashes of Valor and its operations, third-party events introduce a level of risk that our current coverage may not adequately address. Secondly, our staffing and resources are geared toward our core mission and programs. Extending resources to support third-party events could require additional personnel that could take away from our primary mission.

Will Leashes of Valor provide marketing materials, posters, etc., for my event?

Leashes of Valor tries to be as fiscally responsible as possible to ensure donations go directly into our program. However, we are happy to provide an event toolkit that includes a digitized logo, a printable brochure, approved photos, flyer and poster templates, social media content, and a press release template that you can download and print. We also encourage you to visit our shop for swag that you can use as giveaway items.

Will Leashes of Valor support my fundraiser?

In addition to providing an LOV event toolkit, we are happy to list your fundraiser on the events section of our website and acknowledge your fundraiser on social media. Please tag @leashesofvalor in any posts you make related to the fundraiser.

Can a LOV staff member, warrior, or dog attend my event?

Our team and many of our warriors across the country love to help raise funds and awareness for Leashes of Valor. Unfortunately, it is not always possible for one of our staff members, warriors, or dogs to be at a third-party fundraising event, and warrior graduates aren't required to attend fundraisers or participate in any way.

Can a business or fundraiser sponsor my event?

Leashes of Valor can provide you with an event verification letter confirming your fundraiser but we can't provide the sponsor with a tax receipt for a donation made to your fundraiser. Silent auction items, gift certificates, food/beverage donations, etc. must be sent directly to the host of the third-party fundraiser. Leashes of Valor can't accept items in-house.

Can Leashes of Valor send tax receipts to my donor?

Leashes of Valor provides tax receipts to donors who make checks or online donations directly to our organization.

Can Leashes of Valor cover expenses for my fundraiser?

Leashes of Valor cannot fund or financially support third-party community events.
